

Come see us this summer at TRC!

A message from Pastor Charlie

If you have ever been a camper at TRC then we don't need to say this, but, well, we will: Camp is fun!! Why?!! Here are a couple of reasons: Swimming, Horses, Mountain biking, Sailing Zip line, disk golf, crafts The list is too long to write out. So just click onto the Camp activities link to see everything you can do at TRC this summer!!

What's the best reason to come to Timber Ridge Camp? We have a passion to help you learn about our best friend Jesus!! Start the morning with worships about Jesus. Spend the day with staff who loves Jesus. Every night at campfire we end our day with, guess who? Jesus!

Come to TRC this summer for the fun, but in the end the best part of camp is to make Jesus our best friend!

We have cabins with double beds and Deer Lodge (double bed rooms with beds for up to 7 people and your own bathroom) is available on a first asked, first received bases. Hainey Lodge is also available! So register early and reserve your cabin or lodge room before they are taken!

New activities at TRC this summer!

Frisbee Golf

Otherwise known as disk golf is taking the country by storm! At TRC we have Daniel Ronjack, a disk golf fanatic, who will introduce you to this fun, outdoor sport. If you are into disk golf and have your own disks or have heard about it and want to give it a try, you won't want to miss this activity at TRC!

Zip Line

Another adventure activity that you won't want to miss is our brand new TRC zip line!!!!!! We not only have a zip line, but it will start on Pathfinder Hill, sweep over TRC Lake and land below the Cafeteria!! Ride with confidence under the supervision of our fully trained TRC staff.

All Our Great Activities!

Mountain Biking

This is fast becoming one of the favorite activities at TRC! Each year we improve the old trails and add new ones to keep this activity fresh and fun. If you are a beginner, our instructors take time to help you develop the skills to get you racing down the trails. For those who are more advanced, there are areas of our trail that are legendary: Heart attack hill, The Bowl, and BMX. Tween campers get to enjoy a day at a Brown County State park. Teens can enjoy a 3-day odyssey, camping in tents and riding at Brown County. This trail system has earned the "epic" status at the International Mountain Biking Association. Bring your own bike or use ours. This year we have brand new bikes, ready for fun, fitness and thrills here at TRC!

Cagle's Mill Lake

If you like sailing, jet skiing, wakes Boarding, water skiing, tubing and knee boarding then you will definitely want to spend a day at Cagle's Mill Lake. We have two Flying Scott sailboats, a Seadoo jet ski and a motorboat that are ready for action. Cagle's Mill is an offsite, day trip that accommodates those who sign up. Spend a full day and give all the activities a try! Teen Campers, don't forget to sign up for the 3-day Cagle's Mill adventure!

The Shark

Pulled by our motor boat on TRC Lake, this "fish" was meant for riding! Join five friends for a slow tour of TRC Lake or let the boat driver know you want a challenge to see if you can stay on our legendary "Shark". Many have tried but sooner or later everyone gets wet as they are dumped off the shark! Are you ready for the challenge?!!

Diving Dock

At our diving dock you can take a plunge 4 different ways! First, just jump off the dock. (But if you are looking for a bit more of a challenge, then try the diving board) So, our diving boards aren't enough of a challenge? . . . then how about the high dive? Are you ready for the ultimate thrill? The swing is the thing for you! Choose between the lower or upper level of our tower and swing out over the lake for the plunge of your life!

Water Trampoline

Last year was the first year for our 20- foot water trampoline. This is a great place to jump or just hang out and soak up the sun.

The Slides at TRC

At TRC we have two slides. One is open every day at the shallow end of the waterfront. The other is open only on Fridays. Imagine sliding down our TRC dam on a large tarp with water pumped right out of the lake pouring down it! You have to see it to believe it. You have to try it to love it!

Swimming Lessons

You can sign up for swimming lessons during Cub camp, Junior Camp and Tween Camp. Our lessons are for Beginners through Advanced.

Canoeing

Our canoes are ready to go! Explore parts of our lake that you will only be able to see with a canoe. Learn canoeing skills such as the J-stroke, paddling with a partner and how to dump and upright a canoe in deep and shallow water! Life jackets are required!!

Archery

At our archery range you can enjoy learning this ancient and still fun sport. We don't shoot for food or protection, only at our TRC targets! Our instructors will help you hone your skills to hit the target every time! Well.....Maybe!

Fishing

Give a man a fish and he will eat for a day. Teach a man to fish and he will eat every day. Nice motto, but while we love to teach our campers how to fish out of our lake, we make sure they get to return it to our lake!! You may find out that like father nature, you love fishing so much you may want to catch and release every fish in the lake!

Nature Center

Our Nature Center is one of the best anywhere! During your week at camp you will get a chance to visit and check out all the displays. You will also get a chance to meet Father and Mother Nature (Jim and Jean Thompson) and experience our petting zoo.

Horse Barn

Come down to our horse barn and meet our furry friends! If you sign up for trail rides, you will not only meet them, but ride them as well. Our barn staff are looking forward to helping you enjoy your encounter with horses!

Rocket Building and Rocket flying!

Come to the basement of our craft building and build your own rocket! Then take it out and fly it. For an extra charge you can buy a rocket upgrade from the camp store and build it in our rocket building class.

Ceramics

This is a much beloved class at TRC. Not only do you get a chance to show your creativity, but at the end of the week you can take home your finished ceramic project. Our ceramics instructors wanted us to tell you to remember that the ceramic room is air conditioned!

Crafts

Every year in the basement of the craft building we help you create your own, unique craft items. Come and see what we have this year!

Rock Wall/ Zip Line

Our rock wall is always fun and safe! This year you will get to enjoy the rock wall and the zip line in the same class. Test your skill in climbing the easy and difficult routes then take a sightseeing tour of TRC aboard the zip line! Our staff are trained to make these fun activities safe!!!!

The Zorb

Every Friday afternoon we love to get the zorbs out. What is a zorbs? Well to put it simply, it is a human hamster ball! You step inside and we fill it up with air and roll you out onto TRC lake. Not only can you walk on water but you can roll and fall down on it without even getting wet! When it's time to go back to shore, no worries! We just pull on the attached line and haul you in!

Summer Camp Programming at TRC

Flag Raising/Lowering

Every morning we honor our country, state, camp and God by raising our US/Indiana/TRC flags. We recite the pledge of allegiance, share the morning memory verse and of course just for the fun of it shoot off our TRC cannon. You might say flag raising is a big bang!

In the evening just before campfire, we lower our flags and again and just for the fun of it shoot off a rocket. Our flag lowering's a soaring success!!!!

At our flag raisings and lowering's campers form teams to raise and lower the flags.

Camp Counsel

Every morning we have found that it is important to start our day with God! At camp counsel we sing praises to God, spend time studying God's 2nd book, Nature with Father Nature and his helpers and take time with our camp pastor to study God's Holy Word

Campfire

Campfire is the highlight of every day. As the sun is setting, campers make their way down to our campfire bowl for songs of praise to Jesus, Christian drama, time with our camp pastor and yes, a real campfire!! There is no better way to end a day at camp then with the emphasis on Jesus!

Friday night campfire is the most important one of the week! This is the night we give our campers a chance to come forward and give their hearts to Jesus. Each week, campers have a chance to: Give their hearts to Jesus for the first time; make a commitment to be baptized; Rededicate their lives to Jesus or just come forward and affirm their dedication to Him. There is no better place to be than at TRC for our Friday night campfire!
